## Seasonal Interpreters (4 positions at St. Albert's Historic River Lots + Grain Elevators)

### Description

St. Albert's Historic River Lots & Grain Elevators is home to four historic buildings connected to St. Albert's Métis and Francophone histories, two provincially designated grain elevators and train station. Interpreters share the rich history of St. Albert's agricultural, fur trade, Métis, and Francophone communities at this location by assisting with the educational and community programming, tours and special events.

The Seasonal Historic Interpreters support the organizational vision of engaging and embracing local heritage. As members of the interpretive team the interpreters will focus on the interpretation and visitor experience by leading prebooked school, day care and day camp programs, planning special event and drop-in activities, supporting preregistered courses and providing informative, engaging tours of the heritage buildings and historic site.

### Position 1 – River Lot 24 interprets St. Albert's Métis history

- Providing visitors with guided tours of Cunningham House and Belcourt House on River Lot 24 and sharing our community's rich Métis History.
- Research and develop relevant material on local Métis history to support the interpretation of the Métis River Lot for visitors and staff.
- Language skills in French, Cree and /or Michif are assets

### Position 2 – Grain Elevator Site interprets the agricultural history

- Providing visitors with guided tours of the 1906 Brackman Ker and 1929 Alberta Wheat Pool grain elevators, sharing the rich agricultural history of St. Albert.
- Research and develop relevant materials and resources on local agricultural history to support the interpretation of the grain elevators and associated agricultural equipment.
- Language skills in French, Cree and /or Michif are assets.

### Position 3 – River Lot 23 interprets St. Albert's Francophone history

- Providing visitors with guided tours of maison Chevigny and the Brosseau Granary to share the rich Francophone history of St. Albert.
- Research and develop relevant materials on local Francophone history to support the interpretation of River Lot 23 for visitors and staff.
- Language skills in French.

### Position 4 – Interprets the Train Station and Visitor Centre

- Welcomes and orientates visitors to heritage sites .
- Provides visitors with family friendly weekly craft afternoons and activities.
- Develops new activities to engage the public with the heritage buildings and St. Albert's history
